This pre-owned Hayden Classic (42'x10') park home is perfect for those looking for a detached, easy-to-maintain, bungalow-style property. The home has a modern kitchen with integrated appliances, comfortable living room with an electric fireplace and patio doors. The master bedroom has built in wardrobes; there is a second double bedroom and a shower room. The home is on a spacious plot with private garden consisting of decking large enough for a table and chairs surrounded by lawn, a metal shed and a raised patio large enough for a sofa. The front of the home has a driveway for 2 cars with raised flower beds.

The park is arranged across three attractive islands and comprises 78 plots, creating a friendly, established community without feeling overly large. A part-time on-site Warden helps maintain the communal areas, while a Residents' Association provides an added sense of community. The minimum age for residents is 50, making the park particularly well suited to those looking for a quieter and more relaxed environment.
